

The NP Mifepristone Implementation Study: Survey "Save & Return Later" Instructions

This document outlines the 'Save & Return Later' function on the "NP Mife Study" survey. We will go through the steps, first learning how to save and then returning back to the survey.

Step 1: At the beginning of the Survey in 'Consent', click <u>'Save & Return Later'</u> at the bottom of the page. You can find the <u>'Save & Return Later'</u> at the bottom of each subsequent page as well.

Step 2: You will see a pop-up appear with your section specific <u>'Return Code'</u>. Copy this code and save it in a personal document or write it down and keep in a safe place. Without this code, you will not be able to return to the survey and will be required to restart the survey from the beginning.

You have chosen to stop the su link and your return code. See th	sponses were saved! rvey for now and return at a later time to complete it. To return to this surve te instructions below.	y, you will need both the <i>survey</i>
1.) <u>Return Code</u> A return code is *requi	red* in order to continue the survey where you left off. Please write down th	e value listed below.

afterward, please Enter email ad Your email address Or if you wish, you may Continue Survey No	r security purposes, the return code will NOT be included in the email. If you do not receive the email soon check your Junk Email folder.

Step 4: You will receive **an email with the return link.** Click on the link to return to where you initially saved.

Note: You will receive two links. Either one should work and return you to your initial save.

Step 5: After you click on the link, you will be brought to a survey extension page. Here you will need to input your <u>'Return Code'</u> from **Step 2**. Once entered, click <u>'Submit your Return Code'</u>. You should now return to where you last saved.

To continue the survey, please enter the RETURN CODE that was auto-generated for you when you left the survey. Please note that the return code is *not* case sensitive.		
Submit your Return Code		
Alternatively, if you have forgotten your return code or simply wish to start the survey over from the beginning, you may delete all your existing survey responses and start over.		

Step 6 - Saving in Future Sections: As the return code is section specific, you will be required to save a new return code in each survey section. In order to do so you will need to follow Steps 1-5 for each section. Ensure that you have both the <u>'Return Code'</u> and <u>'Return Survey Link'</u> in order to return to where you most recently saved.
